ISSUE 142 AUGUST 1980

PLEASE LOOK AFTER YOUR VILLAGE

Now that the summer holiday is here, I would like to appeal to the teenagers in this village to think about the damage that is being done by vandalism.

Young trees need years to grow, so that your children can enjoy them.

Shopping trolleys are for shopping, so please don't leave them in ditches, the play areas or on the roads.

The Parish Council have recently decided that they will consider asking the police to prosecute in the event of a recurrence of the damage caused earlier this year.

PARENTS - please remember that you are responsible for your children.

RESIDENTS - if you see any damage being done, don't hesitate to contact the police or any parish councillor.

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Tuesday 15th July in the Village Hall.

Proposed play area, Appletrees

The Council discussed at some length the proposal by New Ideal Homes Ltd. to site a childrens' play area in Appletrees. There had been considerable opposition from local residents on several grounds, chiefly the small size of the area in question and the fact that there were very few children in the vicinity. The Council decided to accept the offer of the play equipment but to ask New Ideal Homes Ltd. if it could be sited elsewhere the location to be determined later. In the meantime, the Council will suggest to the developers that the proposed site should be tidied, planted with shrubs and a seat installed for the benefit of the older residents of Appletrees.

Television aerials

For some time now the communal television aerial system covering most parts of the village has been deteriorating to the point at which maintenance has become costly, difficult, and in some cases, impossible. The Parish Council feels that it can no longer guarantee satisfactory reception by means of the communal system and for that reason has decided to abandon the system on 1st. October 1980. In order to help residents during the transitional period it has negotiated a special agreement with its contractor to provide an individual aerial to any resident who is currently served by the communal system on payment of £10. The balance of the price of the aerial, and the cost of installation, will be borne by the Parish Council and after installation the aerial will become the property of the individual householder. All residents concerned are being circulated with a letter giving full details, and an application form, but if you wish for more infromation please ring the Clerk, Paul Smith on Madingley 210889. The offer will close on 30th September 1980.

Parking in garage courts, Appletrees

Complaints have been received from residents of Appletrees that visitors to the Village Hall have been parking their cars in nearby garage courts. This causes considerable inconvenience to local residents who are unable to move their cars, and in the event of an emergency could have tragic consequences. The Parish Council appeals to all those concerned not to be thoughtless and inconsiderate of other people, and to park their cars correctly in the car park provided at the Village Hall.

The next meeting will be held on Tuesday 19th August 1980 at 8.00pm in the Committee Room, Bar Hill Village Hall.

Bar Hill Social Club

The sports activities in the club during July have identified some of this years' star performers.. The pool club final was won by Geoff Oakley and the ladies and gents darts respectively by Wendy Hassall and Graham Spence. Our congratulations go to these winners of our attractive trophies.

The newly formed angling club has already taken part in two matches and is now set to join the Angling Times winter league. The club, like all other sections of the Social Club, is eager to welcome new faces. If you're interested in any aspect of angling get in touch with Brian Cobbett at 3 Otter Gardens. A list of league and club matches will be posted on the Social Club notice board and, of course, in the window of the Fish (and Chip) Shop.

Finally, don't forget that Social Club membership is now available for the twelve months starting 1st. September. New members can join now and get an extra month free. Ask at the bar for forms.

We give thanks to God for every memory of Mrs. Dorothy Booth of Hanover Close who died in hospital on July 1st. We extend our love and sympathy to Mrs. Judith Dale, her daughter and all her family.

Welcome to all the Castos who have safely moved into Church House and thank you to Church Members and all other friends who decorated the house or who have given or lent all sorts of things to make their stay a happy one. Question ????? No prize for the answer! Who knew what an "umbrella stroller" was before they came? Well, they've got one now thanks to a kind friend in Bar Hill.

Talking or writing of kind friends, Jean and Richard Smart would like to thank all those who generously gave over £36 to the Iona Community. Almost £400 has now been given to this Community in Janet's memory. We know it will be lovingly and wisely used to the glory of God.

Infant Baptisms usually take place during a service of public worship so that the Church may express its love and concern both for the children and for the parents. Unusually this month we baptise infants in the afternoon - because of particular personal circumstances. In the Anglican Church it is a normal courtesy to consult the Minister of a parish before arranging to have a child baptised outside the parish in order that pastoral care may be established.

An apologyto Nigel Jackson for putting the wrong name in the last newsletter and

Congratulations to him on his marriage to Lynette Bramwell on Saturday 19th July at the Church Centre.

Pianists - We are still looking for pianists to help with our services on Sunday mornings at 9.45am. Any offers to join the rota will be gratefully received by Mrs. Anne Pitman, 1 Otter Close, Tel CH 80216.

Bar Hill Pre-School Playgroup

School holidays! Squabbling toddlers, screaming babies, screeching mothers and hordes of unruly children swarming about the house and garden from dawn to dusk! However sunny the weather and well planned the excursions, the odd disaster days are likely to occur.

On wet days remember that everyday foods in the kitchen can be turned into activities for the younger children to enjoy. Baking trays can be scattered with flour for finger drawing, salt for modelling and rice or pasta for roads and loads for tiny toy trucks. Mix flour and water into dough for modelling or a thin paste for scrapbook collections. Cornflour, water and colouring make a thick paint for finger or brush painting and printing. Cartons and cardboard boxes are useful for junk toys and make imaginative cars, boats and houses. Children have fum covering and decorating the boxes with newspaper or magazine scraps.

Often it can be more pleasant and less exhausting to link up w with friends for shared outings to swimming pools, parks or fruit picking excursions. Information on Holiday Playschemes and Punch and Judy shows in the Cambridge area can be found in the Cambridge Central Library.

Should it rain, parents can always spend time concocting a costume for the 'Nursery Rhyme' Fancy Dress show at the Bar Hill Village Fete! The Playgroup is organising this event, admission will be free and prizes will be given for each of the three classes; toddlers, playgroup and school children.

The Picnic Sports afternoon in July provided fun for Playgroup families but unfortunately no races! Outside it was raining but inside parents chatted whilst children played. The event was also a 'good-bye' to the older children who leave Playgroup and start school, but there are always plenty of three year olds to take their place.

At present we cater for some 74 children and envisage that this number will greatly increase over the next 2/3 years with the new phases being built in the village. Perhaps it will become necessary for us to consider extending our facilities in the future in order to cope, we shall just have to wait and see.

Our Playgroup is entirely self-supporting and non profit-making It is run by parents through a committee who employ supervisors a part-time administrator and cleaner. In previous years the parents and supervisors have fund-raised hard and the Playgroup has been able to equip and complete the Playgroup room in the Village Hall, provide all essential equipment and lay the paved patio in front of the Village Hall. During the summer holidays we hope to complete our play area.

If you wish your three year old to attend Playgroup please call into the Village Hall during term time, commencing September 15th. Come and see for yourself the Playgroup in action!

The Playgroup are looking for a second-hand 8' x 6' shed in good condition. If you have one for sale please contact me

As we are now over halfway through our first season I would like to take this opportunity to publish results to date:-

Played	Won	Draw	Lost
11	9	1	1

A very commendable performance considering the inexperience of the majority of members who have participated in matches played so far, well done everyone for all your efforts. Just dwelling on the above results for a moment I would like to dispel any rumours concerning the only match lost, alright so it was the Cambridge C.I.D., but there was no truth in the rumour that some members of our team were to be breath tested before the game and that those passed fit to play would be even more handi capped by having to use truncheons instead of bats, no folks this did not happen, it was a very close game which could have easily gone in our favour.

Two recent performances by club members must be included in this report as all who witnessed them must agree they were excellent Firstly, K. Unwins 60 not out, this included the first 50 to be scored on our village ground, and a fine bowling performance from J. Staden taking 7 wickets in one innings, well done lads keep up the good work.

I would like to add that the club is always open to new members so anyone interested in playing, umpiring or coaching the youth section will be very welcome, please contact M. Sargeant, 45 Pheasant Rise, Tel 80742. For the youngsters who have already applied apologies for not replying to you. This is in hand to be sorted out at our next meeting, then I assure you all will be notified of our plans for the youth section of our club.

Meals on Wheels Service

The W.R.V.S have now made it possible for Bar Hill residents, who are in need of them, to have Meals on Wheels.

The 1980/81 season will soon be upon us, and training has already started. Several pre-season friendlies have been arranged so if you feel you could be good enough please come along any Wednesday evening for training. We run two teams in the Cambs and District Sunday League and we do need new players

Junior training evenings are also held Wednesday evenings from 6.30 to 7.30. There will be a charge of 10p per week to enable us to purchase more equipment. This is not intended to be a kick about so please come in proper kit. Anybody interested in assisting or helping with the younger members would be very welcome, so come along dads, show your kids what you can do!

The dressing rooms in the Village Hall are not yet complete but the remaining work is hoped to be started soon. The pitch is not as we would like it and we will have to do some work ourselves to improve it. We had been promised by the Parish Council that 'mole' draining would be done during the close season but so far this has not been done. We would like to take this opportunity to ask the Parish Council not to forget us at future meetings, we run two teams and organise training for upwards of 30 youngsters and feel there is a great need for better facilities.

HELP!

Due to family commitments, I intend to give up the leadership of the Junior Red Cross. Is there anyone living in or near Bar Hill who feels they would like to undertake this very demanding but highly rewarding job?

The post would entail planning and preparing the weekly meetings, keeping account of the subscriptions and fund raising projects, and keeping details of members for Cambridge HQ. There is a great deal of back-up help and assistance from the local centre organiser, Dorothy Quayle, and from the Cambridge Branch. It is also possible to receive training to learn how to run the group. I will gladly help the new people settle into their duties, and be ready to answer any queries which will undoubtably arise!

Liz Smith, the assistant Youth Leader is also leaving to do her Nursing Training in Bristol. She has been a great help to me, and I know we all wish her the very best success. "Thanks and good luck, Liz".

Therefore we require both a Youth Leader and an assistant Youth Leader. Remember, if no-one comes forward then I fear the lively Youth group will have to fold.

If anyone is interested and would like to know more about it, please contact me.
